

Teaching and Learning Supports

Kindergarten through 2nd Grade

Physical fitness is not only one of the most important keys to a healthy body, it is the basis of dynamic and creative intellectual activity.

John F. Kennedy

Connecting SEL Standards to PE Standards

The Illinois Physical Development and Health standards address many areas of the whole child. There are five goals on the PE/Health standards that were adopted in 2015. Many of these standards also connect to the Illinois Social Emotional Standards. Educators looking for a cross curricular concept in their pedagogy can look at these connections to provide greater support to all students.

In order for students to develop the skills to meet the PE/Health standards they must be actively involved in the situations where the skills are necessary. This is a key component in implementing a strong SEL integration, students need to be in situations to learn the skills required in social situations.

Teaching Personal and Social Responsibility, a book by Don Hellison is about using physical education as a means to teach a code of conduct or a discipline to students. The system is comprised of several levels of development:

- **Level 0 Egocentric**
- **Level 1 Respecting the Rights & Feelings of Others**
- **Level 2 Effort and Cooperation**
- **Level 3 Self-Direction**
- **Level 4 Helping Others and Leadership**
- **Level 5 Taking TPSR Outside the Gym**

Many PE team building activities can be also used in the classroom. During times such as indoor recess, playgrounds and after-school activities.

One resource is *How to Use Your Noodle* (Pool Noodles). There are 22 Noodle activities for the gym or classroom. <http://bit.ly/2R43hNz>

Watch some of the fun activities used to build SEL / PE social skills. <http://bit.ly/2R4xIDh>

Download the K-8 Physical Education & Health

standards book to review all the Illinois PE/Health standards and the Social Emotional Standards. <http://www.ilclassroomsinaction.org/uploads/2/6/0/8/26089560/standardsbook-k8pe-health.pdf>

PE Standards	SEL Standards	SEL Benchmarks
20C. Set goals based on fitness data and develop, implement, and monitor an individual fitness improvement plan.	I.C. Demonstrate skills related to achieving personal and academic goals.	Ib. Identify goals for academic success and classroom behavior.
